

IVEY GREEN VILLAGE IS NOW HERON ESTATES

The theme is the same: affordable housing for our residents

Ivey Green Village was built in 1976.

W. Ivey Mack and John Green, former RBHA Commissioners for whom the site was named.

Longtime RBHA tenant Margaret Shepherd, left, with other residents and friends.

Then-candidate for County Commission, current Sheriff Ric Bradshaw with residents.

AND THEN: CHANGE

Ivey Green was demolished between 2005 and 2008 due to hurricane damage.
